## **LETTER FROM THE CHAIRMAN**

---

### **GENERAL MANDATE TO REPURCHASE SHARES**

The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“the Listing Rules”) contain provisions to regulate the repurchase by companies with primary listings on The Stock Exchange of Hong Kong Limited (“the Stock Exchange”) of their own securities on the Stock Exchange (“the Share Buy Back Rules”).

An ordinary resolution will be proposed at the Annual General Meeting to grant the Directors of the Company (“the Directors”) a general mandate to exercise the powers to repurchase the Company’s shares up to 10% of the issued and fully paid-up share capital of the Company as at the date of passing of such resolution. An explanatory statement as required under the Share Buy Back Rules to provide the requisite information of the general mandate to repurchase shares is set out in Appendix I hereto.

### **GENERAL MANDATE TO ISSUE NEW SHARES**

Two ordinary resolutions will also be proposed at the Annual General Meeting respectively granting to the Directors a general mandate to allot, issue and deal with the Company’s shares not exceeding 20% of the issued share capital of the Company as at the date of passing of the resolution and adding to such general mandate so granted to the Directors any shares representing the aggregate nominal amount of the shares repurchased by the Company after the granting of the general mandate to repurchase up to 10% of the issued share capital of the Company as at the date of passing of the resolutions.

### **RE-ELECTION OF RETIRING DIRECTORS**

In accordance with the Company’s bye-laws, directors who were appointed during the year, as well as one-third of the directors for the time being shall retire at the Annual General Meeting, and, being eligible, will offer themselves for re-election. Details of the directors proposed to be re-elected as required under the Listing Rules are set out in Appendix II to this Circular.

### RECOMMENDATIONS

The Directors consider that the proposed granting of general mandates for the Directors to repurchase of shares and to issue new shares; and proposed re-election of retiring Directors are all in the interests of the Company and its shareholders as a whole. Accordingly, the Directors recommend all shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

Your attention is also drawn to the additional information set out in Appendix I (Explanatory Statement on share buy back), Appendix II (Details of Directors proposed to be re-elected at the Annual General Meeting) and Appendix III (Procedures by which Shareholders may demand a poll at general meeting pursuant to the Bye-Laws) to this circular.

Yours faithfully,  
**Rui Xiaowu**  
*Chairman*

This Appendix is an explanatory statement, as required by the Listing Rules, to provide requisite information for your consideration of the proposed mandate on repurchase of shares.

### **1. REASONS FOR SHARE BUY BACK**

Although the Directors have no present intention of repurchasing any shares, they believe that the flexibility afforded by the proposed mandate for repurchase of shares would be in the best interest of the Company and its shareholders. Such repurchase may, depending on market conditions and funding arrangement at the time, lead to an enhancement of value of the Company and its assets and/or its earnings per share and will only be made when the Directors believe that such a repurchase will benefit the Company. Trading conditions on the Stock Exchange have sometimes been volatile in recent years. At any time in the future when shares are trading at a discount to their underlying value, the ability of the Company to repurchase shares will be beneficial to those shareholders who retain their investment in the Company since their interest over the assets of the Company in terms of share percentage would increase in proportion to the number of shares repurchased by the Company.

### **2. SHARE CAPITAL**

As at 23 April 2007 (the “Latest Practicable Date” prior to the printing of this circular), the issued share capital of the Company comprised 413,265,000 shares of HK\$0.10 each.

Subject to the passing of Ordinary Resolution Number 4 at the Annual General Meeting, the Company would be allowed under the buy back mandate to repurchase a maximum of 41,326,500 shares on the basis that no further shares will be issued or repurchased from the Latest Practicable Date up to the date of the Annual General Meeting.

### **3. FUNDING OF REPURCHASES**

The Directors propose that in repurchasing shares under the buy back mandate, the Company may only apply funds legally available for such purpose in accordance with the memorandum of association and the bye-laws of the Company and the laws of Bermuda.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the Company’s audited financial statements contained in its annual report for the year ended 31 December 2006) in the event that the buy back mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the buy back mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time not appropriate for the Company.

**4. MARKET PRICES**

The highest and lowest prices for shares of the Company traded on the Stock Exchange during each of the previous twelve months were as follows:

	Shares	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
<b>2006</b>		
April	1.880	1.480
May	1.720	1.540
June	1.660	1.330
July	1.600	1.370
August	1.480	1.380
September	1.480	1.300
October	1.410	1.180
November	1.860	1.250
December	1.890	1.200
<b>2007</b>		
January	1.900	1.450
February	2.500	1.350
March	2.600	1.800

**5. DISCLOSURE OF INTERESTS**

The Directors have undertaken to the Stock Exchange that they will exercise the buy back mandate in accordance with the Listing Rules and the laws of Bermuda and in accordance with the memorandum of association and the bye-laws of the Company.

If as a result of share repurchase by the Company, a substantial shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Hong Kong Code on Takeovers and Mergers ("Takeovers Code"). Accordingly, a shareholder, or group of shareholders acting in concert, could obtain or consolidate control of the Company or become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, APT Satellite International Company Limited is deemed to be interested in 214,200,000 shares, which represents 51.83% of the issued share capital of the Company.

In the event that the Directors should exercise in full the buy back mandate to be granted pursuant to the ordinary resolution to be proposed at the forthcoming Annual General Meeting, the shareholding of APT Satellite International Company Limited would be increased to approximately 57.59% of the issued share capital of the Company. The Directors consider that such repurchase would not give rise to an obligation for APT Satellite International Company Limited to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to exercise the buy back mandate to such extent that the public float in the Company would reduce below 25% of the issued share capital of the Company.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) presently intend to sell shares to the Company under the buy back mandate in the event that the buy back mandate is approved by the shareholders.

The Company has not been notified by any connected persons of the Company that they have a present intention to sell any shares, or that they have undertaken not to sell any shares held by them to the Company in the event that the buy back mandate is approved by its shareholders.
