NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding the resolutions to be proposed at the Annual General Meeting relating to (i) the grant of general mandates to repurchase Shares and to issue new Shares; and (ii) the proposed re-election of the retiring Directors.

LETTER FROM THE CHAIRMAN

PROPOSED GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on 23 May 2013, a general mandate was granted to the Directors to repurchase Shares. Such mandate will lapse at the conclusion of the forthcoming Annual General Meeting. In order to give the Company the flexibility to repurchase Shares if and when appropriate, an ordinary resolution will be proposed at the Annual General Meeting to grant the Directors a general mandate to exercise the powers to repurchase the Shares on the Stock Exchange up to 10% of the issued and fully paid-up share capital of the Company as at the date of passing of such resolution (i.e. 62,180,700 Shares on the basis that no further Shares will be issued or repurchased from the Latest Practicable Date up to the date of the Annual General Meeting). The Directors wish to state that they have no immediate plan to repurchase any Shares pursuant to the Repurchase Mandate.

An explanatory statement as required under the Share Repurchase Rules to provide the Shareholders with requisite information of the general mandate to repurchase Shares is set out in Appendix I to this circular.

PROPOSED GENERAL MANDATE TO ISSUE NEW SHARES

At the annual general meeting of the Company held on 23 May 2013, a general mandate was granted to the Directors to issue Shares. Such mandate will lapse at the conclusion of the forthcoming Annual General Meeting. In order to give the Company the flexibility to issue Shares if and when appropriate, two ordinary resolutions will also be proposed at the Annual General Meeting respectively granting to the Board a general mandate to allot, issue and deal with the Shares not exceeding 20% of the issued share capital of the Company as at the date of passing of the resolution (i.e. 124,361,400 Shares on the basis that no further Shares will be issued or repurchased from the Latest Practicable Date up to the date of the Annual General Meeting) and adding to such general mandate so granted to the Board any Shares representing the aggregate nominal amount of the Shares repurchased by the Company after the granting of the general mandate to repurchase up to 10% of the issued share capital of the Company as at the date of passing of the resolutions.

The Directors wish to state that they have no immediate plan to issue any new Shares pursuant to the general mandate to issue new Shares.

PROPOSED RE-ELECTION OF RETIRING DIRECTORS

In accordance with the Company's Bye-laws, Mr Qi Liang, Mr Lim Toon, Mr Fu Zhiheng and Mr Cui Liguang shall retire by rotation at the Annual General Meeting. All of the above retiring Directors, being eligible, will offer themselves for re-election at the Annual General Meeting.

Details of the retiring Directors are set out in Appendix II to this circular.

ANNUAL GENERAL MEETING

The notice of the Annual General Meeting is set out on pages 11 to 14 of this circular.

A form of proxy for use at the Annual General Meeting is enclosed with this circular. Such form is also published on the websites of Hong Kong Exchanges and Clearing Limited (www.hkexnews.hk) and the Company (www.apstar.com) respectively. If you intend to appoint a proxy to attend the Annual

LETTER FROM THE CHAIRMAN

General Meeting, you are requested to complete and sign the form of proxy in accordance with the instructions printed thereon and return it to the Company's branch share registrar in Hong Kong, Tricor Tengis Limited, at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong not less than 48 hours before the time appointed for holding the Annual General Meeting or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting at the Annual General Meeting or adjourned meeting if you so wish.

VOTING BY POLL

Notwithstanding any provisions contained in the Bye-laws of the Company, in accordance with the Listing Rules, the chairman of the Annual General Meeting will direct that each of the proposed resolutions set out in the notice be voted by poll except where the chairman decides to allow a resolution relating to a procedural or administrative matter to be voted on by a show of hands. The chairman would explain the detailed procedures for conducting a poll at the commencement of the Annual General Meeting.

On a poll, every Shareholder present in person (or, in the case of a Shareholder being a corporation by its duly authorised representative) or by proxy shall have one vote for every fully paid Share held. A Shareholder present in person (or, in the case of a Shareholder being a corporation by its duly authorised representative) or by proxy who is entitled to more than one vote need not use all his votes or cast all his votes in the same way.

After the conclusion of the Annual General Meeting, an announcement on the poll vote results will be published by the Company on the websites of Hong Kong Exchanges and Clearing Limited (www.hkexnews.hk) and of the Company (www.apstar.com) respectively in the manner prescribed under the Listing Rules.

RECOMMENDATIONS

The Board consider that the proposed granting of general mandates for the Directors to repurchase of Shares and to issue new Shares and proposed re-election of retiring Directors are all in the interests of the Company and its Shareholders as a whole. Accordingly, the Board recommend all Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

Your attention is also drawn to the additional information set out in Appendix I (Explanatory Statement on Share Repurchase) and Appendix II (Details of retiring Directors proposed to be re-elected at the Annual General Meeting) to this circular.

Yours faithfully,
For and on behalf of the Board
Lei Fanpei
Chairman

This Appendix is an explanatory statement, as required by the Listing Rules, to provide the Shareholders with requisite information for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

1. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of repurchasing any Shares, they believe that the flexibility afforded by the proposed mandate for repurchase of Shares would be in the best interest of the Company and its Shareholders. Such repurchase may, depending on market conditions and funding arrangement at the time, lead to an enhancement of value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. At any time in the future when Shares are trading at a discount to their underlying value, the given mandate to repurchase Shares will be beneficial to those Shareholders who retain their investment in the Company since their interest over the assets of the Company in terms of share percentage would increase in proportion to the number of Shares repurchased by the Company.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 621,807,000 Shares of HK\$0.10 each.

Subject to the passing of Ordinary Resolution set out in item 5 of the notice of the Annual General Meeting in respect of the granting of the Repurchase Mandate and on the basis that no further Shares will be issued or repurchased from the Latest Practicable Date up to the date of the Annual General Meeting, the Directors would be authorized under the Repurchase Mandate to repurchase a maximum of 62,180,700 Shares, representing 10% of the issued share capital of the Company as at the date of the Annual General Meeting, the period in which the Repurchase Mandate remains in force.

3. FUNDING OF REPURCHASE

The Directors propose that in repurchasing Shares under the Repurchase Mandate, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Bye-laws of the Company and the laws of Bermuda.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the Company's audited financial statements contained in its annual report for the year ended 31 December 2013) in the event that the Repurchase Mandate is to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

APPENDIX I EXPLANATORY STATEMENT – SHARE REPURCHASE

4. MARKET PRICES OF SHARES

The highest and lowest prices for Shares of the Company traded on the Stock Exchange during each of the previous twelve months were as follows:

From 1 April to the Latest Practicable Date	9.34	8.27

5. DISCLOSURE OF INTERESTS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the laws of Bermuda and the memorandum of association and the Bye-laws of the Company.

If as a result of Share repurchase pursuant to Repurchase Mandate, a substantial Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company or become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, APT Satellite International Company Limited ("APT International"), the immediate holding company of the Company is beneficially interested in 321,300,000 Shares, which represents approximately 51.67% of the issued share capital of the Company.

In the event that the Directors should exercise in full the Repurchase Mandate to be granted pursuant to the ordinary resolution to be proposed at the forthcoming Annual General Meeting, the shareholding of APT International would be increased to approximately 57.41% of the issued share capital of the Company. The Directors consider that such repurchase would not give rise to an obligation for APT International to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to such extent that the public float in the Company would reduce below 25% of the issued share capital of the Company.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) presently intend to sell any Shares to the Company under the Repurchase Mandate in the event that the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares, or that they have undertaken not to sell any Shares held by them to the Company in the event that the Repurchase Mandate is approved by its Shareholders.

6. SHARE PURCHASES MADE BY THE COMPANY

No purchase of the Company's Shares has been made by the Company nor any of its subsidiaries (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.
